

## Lakshadweep

### KAVARATTI RESORT

### 03 NIGHTS / 04 DAYS

Lakshadweep islands lie about 220 to 440 kms off the Kerala coast between 8° and 12° North Latitudes and 71° and 74° East Longitudes. The islands are connected to mainland by passenger ships and flights operated from Kochi. The airport is in Agatti and facilities exist for helicopter transfer to Kavaratti Island. The remoteness and pristine beauty of these islands combined with the solitude and peace provided by the verdant environment offer an ideal getaway for holidaymakers.

- Best time to go there – October to end of April
- Connectivity from Cochin: Alliance Air Tentatively Schedules Agatti Island (AGX) flights
